

Weatherford Youth Association Sponsorship Program

The Weatherford Youth Association is proud to serve the children of our community through tackle football, flag football, and cheerleading opportunities. We are a non-profit organization and support children throughout Parker County. W.Y.A. offers children a chance to learn healthy competition, discipline, teamwork, and leadership through hard work while having a great time.

Your sponsorship will help this organization to provide the equipment and facilities for our teams. W.Y.A also donates over \$5,000 per year to qualifying families who are financially incapable of paying registration fees. Again, your sponsorship will allow us to continue this much-needed program and to possibly provide more.

For more information about our organization or to inquire about becoming a sponsor, please contact one of our board members.

Jeff Van Horn	President	817-966-0842
